

July 6 - 13 and July 15 - 20, 2019

Thank you to the 24 Hamilton County Baptist Association Churches who helped us this year!.

We need your church in 2019!

Can your church deliver 1 meal to a crew of 12 at a World Changers work site next summer? Could you imagine if all 107 Hamilton County Baptist Churches partnered and delivered at least 1, just 1, meal to a crew? We wouldn't have a single issue feeding all the participants when they come to Chattanooga. This ministry does not exist without the local church partnering together with us to spread the message of Jesus Christ.

Yes Bobby - I am confident that in the next 8 months my church can find 1 Sunday School Class, 1 Life Group, 1 Women's Ministry , 1 Brotherhood or even 1 Youth Group to deliver at least 1 meal to a World Changers Crew when they come to Chattanooga!
